Metropolis

Training Center - Mashhad

September 27-30, 2010 Training Workshops

مرکز ملی آموزش شهرداری
 کلان شهرداری تهران (مستوفی پارس) - مشهد

The Metropolis International Institute

The Metropolis Int'l Institute is a non-profit organization under the Metropolis, the World Association of the Major Metropolises (www.metropolis.org). Its aim is to provide training and professional development through applied management training in various urban sectors for elected representatives and senior managers involved in areas of urban activity.

The Municipality of Mashhad, Iran

In 2008, the Metropolis inaugurated the municipality of Mashhad as its regional training branch, with the responsibility of acting on the aims of the Metropolis Int'l Institute by providing practical training programs that meet regional needs.

Training Workshops & Seminars

An international approach to deliver information and training you need for the 21st century.

The Metropolis International Institute – Mashhad Branch runs comprehensive training programs and seminars with a wide range of urban themes relevant to the region in English. Trainers and speakers are highly specialized from around the world and the venue is located in modern, convenient locations in the city of Mashhad, Iran.
